Mr. Stine has served as Director of Dental Affairs with California Dental Association. He was responsible for management of Regulatory Affairs and Membership Department. He also served as liaison between CDA and Board of Dental Examiners and other regulatory agencies. Mr. Stine reviewed and managed hazard communication requirements with Cal-OSHA, California Department of Health Services. He also served as Executive officer on Board of Dental Examiners.

Gail E. Harris

Sr. Clinical Risk Management Consultant

At Medical Protective we bring a wealth of clinical risk management industry experience to the table including a team of seasoned professionals that average over 25 years in the industry. These professionals help our doctors proactively meet risk management challenges each day. Our long-term customers stay with us, because they recognize that we're committed, not just to defending them in court, but keeping them from ever seeing a courtroom. Gail E. Harris, RN, MS, CPHRM, Sr. Clinical Risk Management Consultant, combines a wealth of education and consulting experience with her strong clinical background--with special emphasis on the areas of corporate risk management, infection control, and adult education.

This seminar will update you and your staff on OSHA Regulations. You will receive the framework upon which to build your understanding of dental regulations. Mr. Stine is owner and operator of OSHA Review, Inc. a business specializing in regulatory compliance in California. He is a nationally known speaker.
